I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My compounded prescription relieves my symptoms and makes it possible for me to live throughout the month. I am glad my doctor made the recommendation. I depend on the compounded medication and I am asking for your help to be able to continue in the compounded prescription. Thank you for your understanding.
